

HISTORY
OF THE
SOMERSET LADIES PAST CAPTAINS' SOCIETY

The Somerset Lady Past Captains started to play and compete with each other quite informally in 1981.

Terri Lloyd Jenkins organised a summer foursomes day for them at Weston Super Mare Golf Club.

The occasion was far more popular than she had envisaged. Requests to play against other Past Captains' Societies eventually led to a formal Somerset Ladies Past Captains' Society being formed in 1994.

In 1995 the prestigious crested clothing was introduced and the Society received the new Constitution for ratification.

2004 saw the introduction of a Spring Greensomes Competition, and in 2005 the Somerset Lady Past Captains invited the Somerset Gentlemen Past Club Captains to join them in an annual Autumn 4 BBB competition.

In 2007 the first Team Event was played and this is now part of a very busy and successful Calendar of Events for the Society.
