

Somerset Ladies County Golf Association: Please abide by our spectator code:

1. Ensure your mobile phone is switched off.
2. Do not walk within 25m of the players. (We don't want any allegations that they have been offered advice and the player may be penalised if you do.)
3. As well as not giving advice, do not offer information to players on Local Rules or Rules of Golf. Please leave that to the referees/officers in charge.
4. Act as a forecaddie. Keep a distance far enough ahead of the players as not to interfere with the player's shot. Keep to the sides of the fairways.
5. Keep away from any ball in play.
6. Ball spotting and searching: by all means help but please try to avoid trampling down long grass.
7. Please do not touch a ball if it might be a player's ball.
8. Do not carry or handle a player's clubs or equipment. (The player may be penalised if you do.)
9. Keep still and quiet and do not use a camera when a ball is being played.
10. Parents/carers/family members of competitors taking occasional informal photographs with mobile devices of their own child, ward or family member at a SLCGA event do not need to register their details with the SLCGA. If such photographs include other children (eg at a prize presentation) they should not be publicly displayed or published on social media unless the prior permission of the parents/carers of all the children in the photographs has been obtained.
