Please could you ring Sarah Burnell on 0772555970 (or email sarah_burnell@hotmail.com) to confirm your attendance at the Open to All sessions.

Further training sessions will be arranged later in 2010 depending upon funding. Funding for individual training for the 1st Team Squad will also be sought during the course of 2010 and you will be notified if you are successful. Do please try to support the training sessions as much as possible as they are free and the greater the support the more likely we are to obtain further funding.

Kind regards
